One lifeguard is required per 25 people for every pool party. In addition, parties involving alcohol will require at least two guards. For all events, the rate is \$30/hr. per guard. **The total number of attendees includes anybody who will be inside pool gates as lifeguards are responsible for safety of every patron, both in the water and on the pool deck.**

- o Ex. You have 40 people attending the event from 6pm-8pm. You would need two guards for 2 hours. Each guard is \$30 per hour so your total for the event will be \$120.

There must be one adult guardian/supervisor present for every 10 guests, and these supervisors must remain present and attentive for the entirety of the pool party.

Pool Parties must be booked at least 7 days in advance to ensure adequate time to get additional lifeguards lined up for party.

- o Any parties booked less than 7 days in advance will be charged an additional \$50 late registration fee.
- o Parties booked less than 7 days in advance may not be approved based on lifeguard availability on short notice.

It is the responsibility of the host to confirm pool availability with Ann Cohn (email to chadwyck.windsor.pool@gmail.com or call/ text (336) 922-0176) to prevent conflicts with any neighborhood events (swim team, HOA sponsored parties, etc.)

If a Party has to be canceled or rescheduled due to weather, it is the responsibility of the party host to notify Anna Cohn (email to chadwyck.windsor.pool@gmail.com or call/ text (336) 922-0176) at least 2 hours before party is scheduled to begin so that party lifeguards can be notified. Party costs will be refunded in full with appropriate notification.

- o If notification of cancellation is received less than 2 hours prior to start of party, Aqua Tech will only refund up to 75% of party costs.

All guard fees are due when the party is booked and will need to be paid online. Guest passes for all non-members must be paid for and loaded to your account before the day of your party. Please note that if you pay for guest passes by check that the passes will not show in your account until the check has been received and processed by Signature. If you pay for the guest passes by credit card, they show in the account the day of purchase (please make sure they are in your account BEFORE your party). The attached guest name list must also be completed so that we can check your guests into the pool as they arrive. Once your party is over and you leave the pool, all non-member guests must also leave the pool.
